

# **simbios** NIH Center for Biomedical Computation Physics-based **Simulation** of **Biological** Structures

**Interested in how biocomputation  
is changing Biology and Medicine?**

**Sign up for a free subscription at:**

**[www.BiomedicalComputationReview.org](http://www.BiomedicalComputationReview.org)**

**Problems with developing, distributing,  
or finding biosimulation software?**

**Join the biosimulation supersite.**

**Register for a free account at: [www.simtk.org](http://www.simtk.org)**

**Looking for simulation software,  
models, and other bio-resources?**

**Find your answers at: [www.simbiome.org](http://www.simbiome.org)**

**Simbiome**

**Interested in collaborating on important  
computational biological problems?**

**Visit us at: <http://simbios.stanford.edu>**

**NIH Roadmap Grant U54 GM072970**
